Glasgow Airport Hotels- Unique Blend of Luxury & Comfort by [Jonemikal](#)

Article published on February 13th 2012 | [Travel](#)

Glasgow airport is said to be one of the most popular and busiest airports in the United Kingdom. Worldly known for its fantastic telecommunication and transport facilities, it is highly famous for top class accommodation with and without parking options. Well, Glasgow airport hotels are acclaimed staying places where guests will get almost everything- free internet access, well-decorated rooms, hot coffee and tea, telephone service, twenty four hour food service, spa, medical help and much more. If you choose to stay at the luxury hotels, you will also find swimming pool, health club and other customized facilities at your disposal. During your stay at these hotels, you will be treated like a family member from highly courteous and professional staff that takes care for your need.

Apart from the comfort and luxury offered by Glasgow airport hotels, one thing that attracts you the most is their location. Well, they are primly located in the vicinity of the airport within few minutes from the airport terminals. Most of them are within walking distance of the airport and thus help guests to move to and from the airport on foot. Travelers staying here are promised that they will never miss their flight. In case, there is a flight delay, these hotels serve as the ideal place to feel relaxed and wait for the flight, being in the walking distance of the terminals. The best aspect of these accommodations is that they are very close to famous touristic attractions and several business areas, which make them perfect choice for both business as well as holiday makers arriving here from different corners of the world.

Most of the Glasgow airport hotels provide you free parking offers. Well, you can avail hotel and parking package and book a free parking space included within the price of hotel room. Visitors are offered short as well as long term parking options. One can get park facility from few hours up to 15 days. Most of the travelers who come to see of their friends or relative, avail short term parking, while those who leave for abroad for a week or more than this book long term parking. What will strike you the most is that hotels near the airport also provide you with free airport transfer shuttle service. Shuttle service proves to be much beneficial for aged, physically challenged and those with heave luggage.

If you are in search of the best Glasgow airport hotels within budget, there are plenty of airport accommodation sites to help you in this regard. These sites review top hotels in the vicinity of airport in terms of facilities, comfort and price. You will get information on the hottest hotel and parking deals. These sites will also inform you, if there are special discounts on certain packages. For more information, just browse through internet and find out all the desired details regarding affordable airport hotels for you.
