Himachal tourism puts a seal of eternal beauty in the mind and soul of tourist by [Shraddha Singh](#)

Article published on March 21st 2012 | [Travel](#)

Himachal Pradesh is referred as the heart of India in terms of the diverse beauty of the wonderful natural landscapes that are found in the rarest of the rare places on the face of the earth. One can describe this belt as the most attractive and the charming destination which is quite picturesque and monument rich because of some of the exotic temples, buildings and also because of the flaking snow, the lakes, the splendid mountains and many more in the region. All these factors make the Himachal Pradesh tour really something to cherish and enjoy the dream golden moments in the life. The spots of the spectacular beauty and natural landscapes in the region make the tourist to enjoy the exotic adventure sports in this part of the belt and these include angling, fishing, mountaineering and much more. Come to Himachal and enjoy the complete Himachal tourism at the very best.

One cannot forget to go to the breathtaking spot of Dharamshala full of the wonderful greenery of the forests and the mountains. The individual can find this wonderful spot as the complete beauty of the entertainment, art and the natural realms at the very best. The surroundings of this place are quite attractive and the tourist has the opportunity to enjoy the fresh air of the place. Apart from Dharamshala, the individual has the option to see the wonderful natural place called Dalhousie named after the governor general of the colonial era lord Dalhousie. Apart from enjoying the beauty of the place, the individual has the opportunity to see Victorian architecture, Scottish architecture, the churches and many more at this breathtaking place. Come to the pristine Chamba valley and the natural beauty of the place mesmerizes the senses and the soul of the individual. The magnificent sceneries of the splendid Chamba with some of the temples of the earlier centuries make his beautiful place totally engulfed in the pristine mountains a dream come true for the international tourist and one has the opportunity to come here for the breathtaking honeymoon.

The trip of Himachal is quite incomplete for the tourist if he does not pay the visit to the valleys of Kullu and Manali. Kullu is also referred as the terminating point of the habitat world because of the chilly climate of the region but the adventure tourist still loves to visit the place because of the sizzling beauty of the region. Manali is one of the most sought after tourist spots in Himachal Pradesh and one gets flabbergasted as he looks as the green pastures, the bird tweets, the glaciers of ice and many more in the belt. This place is an excellent skiing spot on the face of the earth and the individual has the opportunity eat the lush juicy apples from the trees that are about to break down by their weight. One cannot forget to go to Khajjar and this spot is also referred as Gulmarg of Himachal with its lake among field, the grazing cattle, horses and the exuberant pastoral landscapes. Come to this belt through wonderful Himachal tour packages.
