Hiring chauffeurs for convenient traveling through the city by [White Jones](#)

Article published on December 27th 2011 | [Travel](#)

Chauffeur is a person who has employed to drive a car or limousine that transports paying passengers. Chauffeur drive the cars, vans or limousines for private house hold, government companies, and business firms and maintain as well. Some chauffeurâ€™s are self-employed they offer their services to those who requires drivers only for occasions or for short time duration.

Chauffeurs who work for private households may drive family members to and from their daily activities, which may include school, work, and various business and social functions. They help their passengers get in and out of the car, carry packages and luggage, and run errands. Because they are responsible for keeping their employers' cars in good condition, chauffeurs spend some of their working hours washing, waxing, and polishing the cars. They make arrangements to have the cars serviced and repaired. They often make minor repairs and adjustments themselves. Many chauffeurs who work for private households also have other duties, such as cleaning walks and driveways and exercising pets.

Many people hire only qualified chauffeur. Mostly chauffeur must be at least 21 years old. Due to rules and regulations of insurance some employers do not hire chauffeur Gatwick who has not completed 25 years or got any kind of accident in past five years. Every chauffeur must have his driving license. Additional licensing requirements for chauffeurs vary from state to state. Other training programs may be required in certain localities. Government agencies require applicants to pass a civil service test, and some employers insist that a defensive driving course be taken. Most employers demand a good driving record.

Chauffeur works in pleasant working conditions. Those chauffeurâ€™s who are self-employed they set their working hours as per their need. Although chauffeur job is good and in this job one can earn a good amount of money, but this job contains some disadvantage too. This job may include irregular hours to work on and sometimes chauffeur have to work on weekend. There are a lot of chauffeurâ€™s who are always available on call. Chauffeur Surrey can also drive in heavy traffic and in crowded area. They also help their customers to upload their heavy luggage or packages in their vehicle.

Chauffeur service in Gatwick is available for 24 hours. They are uniformed chauffeurs and well trained, experienced, groomed and police verified as well. A chauffeur must behave well with customers. He should always use courtesy words and he should be polite to everyone.

Chauffeur service in Gatwick has Special co-ordination and systems are in place for handling large requirements like delegations, conferences, weddings & events. Each car in the management division comes prepared with the following: well uniformed, police verified and well-trained chauffeur Heathrow, first-aid kit, mobile phone (to call chauffeur), daily newspaper and the magazine of latest version, fire extinguisher, air freshener and Soothing Music.
