Hotels in Manali - one for every budget by [Kullu Manalli](#)

Article published on July 24th 2012 | [Travel](#)

If you are planning your next holiday to Manali do not worry about the budget or wonder if this hot holiday destination might burn your pockets. Definitely not, there are plenty of Manali hotels that cater to every budget, so you can book your stay in any of these hotels in Manali without harboring the thoughts of the trip getting expensive. You can do some diligence and contact the many tour operators that arrange the Kullu Manali trip and take references from friends and read reviews online to get the best of deals in the best of hotels in Manali. But you can take note of these don'ts and it may pay you well.

Avoid visiting Manali in the peak season

But why? Summer is the season you want to cool off and no better place than Kullu Manali you may wonder. Yet any popular destination will certainly have this clause; accommodation and transport during peak season will be expensive and that holds good for Manali as well. The peak season in Manali is during the summer that begins in the month of March till June end. The snow would start melting slowing down the hills in small streams and you can see the valley unravelling its mystic beauty. And also you will have a lot of scope to participate in various adventurous activities.

Off-season would be the better time to visit Manali

Every season brings out a new splendor and charm to Manali and your best chance to book a perfect budgeted holiday would be during the monsoon or winter. And you can steal a good deal from any of the hotels in Manali. Although there is a suggestion, be careful during the monsoon, as many landslides occur during this time and river Beas would be roaring in fury. Therefore, activities such as fishing or river rafting is prohibited, apart from this you can enjoy the rains and of course the lush green-clad valley to the maximum.

Himachal Pradesh is not only famous for the apples but wonderful tourist destinations such as Kullu Manali. And blessed are these two destinations with fabulous swiss like weather to attract people from across the globe. The cities of Kullu Manali are believed to be home of the seven saints or saptarishis according Indian mythology and Manali derived its name from Hindu Mythological character Manu. But it is poor mans Switzerland for the scenic beauty and climate it offers.
