India holidays shows nature in all her moods-fierce, wild, ferocious, kind, gentle, blizzards, hail-storm, rain, thunder, lightning, clear blue sky, blazing sun, radiant dawn, roseate sun-set, multi-colored rain-bow and other sights and sounds. The rushing torrent, the dashing ravine, the yawning chasm, the crashing glacier, the thundering waterfall and the dark and somber rocks have an irresistible charm of their own. The lure of the mountains cannot be resisted. Pine trees, birch trees and wild bushes and the varied fauna and flora unfold the hidden wealth of forests.

India Holidays highlights travel as one of the means of knowing Life, knowing its mysteries, its complexities, its varieties, its beauties and its glories. Man is by nature inquisitive and his soul is restless like the wandering spheres. The wander lust dominates him. The call of the distant countries or the lure of the alien lands has been always irresistible –the distant hills call, the oceans call and the alien people call. The panorama of life in the olden times flits before our mind’s eye.

India holiday advantages of travelling are multifarious. It attracts students, scholars, poets, artists, litterateurs, literati, nobles and diplomats. A foreigner who visits the Taj at Agra, the Ajanta and Ellora caves of Aurangabad, the shrines in the South, and the pillar and rock edicts of Asoka is moved by the glories of painting and sculpture. Surely India is not a land of rajas, faquirs, snake-charmers and beggars. Historical monuments, picture, galleries, works of art and literature, sites associated with men of letters and religious reformers, sculpture and architecture, cathedrals and churches, engineering institutes and science laboratories, dams and irrigation projects and numberless other objects of curiosity and historical importance keep the travelers spell-bound. India holidays give a firsthand knowledge of men, customs, language, and geography, culture, social and political progress, economic conditions, and hobbies of people their political institutions India holidays extends the boundaries of human knowledge.
