India is a land of some incredible cities. It would literally take a person his entire life to complete a whole tour of India. Every part, every state, every city and every region is famous for something and specializes in something. As an Indian if you are planning a vacation then there are numerous options to choose from. If you are looking forward to high profile metropolitan holiday then Chennai, Jaipur, Bangalore and Dehradun are open for you. All these cities have their own unique specialties which you can only find out when you plan a trip to these places.

Chennai Hotels are the best part of Chennai. Chennai being one of the major metropolitan cities of India has some high class luxury hotels which will make you feel more comfortable than at home. Chennai is also the capital of Tamil Nadu and is one of the major commercial cities in India. It is famous for its It is home to head quarters of many national as well as multinational companies. It is also famous for its SDAT tennis stadium and holds matches of international stature. It also has a very famous cricket stadium Chepauk, MA Chidambaram stadium. Chennai Hotels are all full during the IPL season. So if you are planning to go for a match book yourself some great rooms online beforehand.

Dehradun is yet another beautiful place to visit. The best thing about Dehradun is that it is surrounded by so many other tourist places that you can extend your visit to any place you want. The climate is also moderate and not too hot. Hotels Dehradun is the epitome of luxury and comfort. If you are on a low budget then you can find budget hotels for yourself too. Hotels Dehradun sometimes also offer packages of holiday homes, trekking, camping and adventure sports in the nearby areas. You can also take a trip to Masurie from Dehradun if you want.

Jaipur or the Pink city is yet another great city in India. It is a city which is rich in its culture and monuments. Jaipur is by far the most beautiful and culturally rich city in India. This richness in culture can also be seen in the Jaipur Hotels. The way the Jaipur Hotels have decorated their rooms or the way they welcome you or the way they prepare and present their meals is all part of their culture and itâ€™s just great.

Bangalore Tourism has reinvented Bangalore named it Bengaluru and it is a place for attraction for all tourists all over India. Bangalore Tourism is also responsible for naming Bangalore as the â€™Silicon Valley of Indiaâ€™. In fact it is the IT hub of India. The infrastructure of this city is just awesome and you will be awestruck. As an Indian if you are planning a vacation then there are numerous options to choose from. If you are looking forward to high profile metropolitan holiday then Chennai, Jaipur, Bangalore and Dehradun are open for you. All these cities have their own unique specialties which you can only find out when you plan a trip to these places.
