Inverness Cottages the Best Place to Stay by [Julia Roger](#)

Article published on March 6th 2012 | [Travel](#)

Inverness is the capital of highlands and is well known as a tourist spot all round the globe. Inverness is an excellent touring base and is connected with all the modes of transportation i.e. Rail, road and airways. If you have planned a trip to Inverness then you have taken the right decision. Here you can enjoy day trips, coach tours and you can even enjoy boat cruises as well. Highland cottages are having 4 star hotel facilities. If you are looking for a top quality self-catering accommodation in the city of Inverness then you have landed upon to the correct place. If you will walk down along the river banks in the direction of the canal you will find the Ness islands that again add beauty to the place. If you will Cross the river on the little bridges and you can visit Bught Park.

There is a suspension bridge across the river Ness and old stone buildings which is the major source of attraction for the tourists. In December 2000 this place was among one of the three towns that has been awarded as a city by the queen. You can get cottages according to your budgets and number of days you are going to stay out here. Self catering Inverness cottages are well known for the quality and standard of living that they offer at the best affordable price. They provide 3 and 4 star hotel facilities at their cottages. The location of the cottages that they are offering in Inverness is quite residential only with private parking facilities. All the essential commodities like towels, bed linen and table linen are provided. They will welcome you with a quite delicious continental breakfast in the morning hours.

Highland cottages are having a number of features like fully furnished kitchen, large dining area for comfortable dining as well. There are two shower rooms with a lounge where you can enjoy the real holiday experience. Wireless internet access is provided in each and every cottage. The cottages may vary in size and shape according to your budget and the amount of money what you have planned to spend on for your entire trip. The cottages are available according to your choice. The centre of the city is only 15 miles away from the residential areas.
