Kerala tours - the Joy of Natural Beauty of South India Places by [Mark Hamilton](#)

Article published on January 23rd 2012 | [Travel](#)

Kerala the southernmost state of India is often termed as the "God's own country" by virtue of the soothing lush green interior countryside, enriched backwaters and plenty of Flora on the Western Ghats generally covered with coffee and tea gardens. Kerala tour packages will take you closer to nature and you won't feel like leaving the beautiful and mystifying countryside. The terrain in Kerala includes Wildlife Sanctuaries, backwaters, Western Ghats with coffee and tea estates. Also one can visit the spice gardens, feel the ayurvedic massage, spend a night in the houseboats with traditional south Indian seafood.

Kerala tours can vary from 7 to 10 days from north to south of the state. Depending on your choice, one can choose to travel by cab or in a boat inside the countryside in backwaters and rivers. Kerala packages can start either from Cochin or Trivendrum, if one is planning to reach by air. Kovalam, one of the internationally renowned beaches in the world is just couple of minutes drive from airport. Kovalam, with its cushy natural bay, sapphire blue waters and an opulent stretch of green palm groves, is a tropical paradise which will steal your heart away. Kovalam has three successive falcate beaches including famous light house beach. Another striking feature of Kerala Tour Package is the scenic Western Ghats encompassing famous hill stations like Munnar, Rajamala, Idduki, and Devikulam. Anaimudi peak famous for trekking is another bright spark of Kerala packages. At these natural destinations you will feel the fresh air, mesmerizing waterfalls, lovely weather, squeaking of the birds which will sooth your mind, body and soul. For those who love the nature, there is much more for them in store. The natural reservoirs for wildlife are inseparable part of this God's own country, Kerala. One can observe the nature closely at places like Periyar national park, Silent valley national park, Idukki wildlife sanctuary, Kollam wildlife sanctuary, etc. All these habitats protect many endangered species of the subcontinent and you can have the privilege to be with them on guided Kerala tours.

Another unmistakable part of amazing Kerala is Alleppy (Allapuzha), the home of backwaters. It is one of the most visited and must see destinations in India. The elegant houseboats cruise along the villages, countryside, paddy plantation and you can see the real life in villages as you pass by them. One can say that visiting India, Kerala will surely leave an impression on your heart for sure.
