Article published on August 9th 2012 | [Travel](#)

Cairns is a beautiful city in Australia. It is located in the northern side of Queensland. Holidaying at Cairns is a great option and is considered to be the last major holiday destination in Queensland to travel. The reason being that due to its distance, travelers usually visit it at the end of their entire trip. It is also a beautiful honeymoon destination. A lot of newlywed couples travel to Cairns with the bookings in luxurious holiday apartments. After all, apartments offer highest level of privacy when compared to hotels. There are much greater facilities to avail in private villas. These are spacious with additional room and amenities, lawn, garage, and even decorated swimming pools are features of luxury apartments.

A luxury apartments cairns can be booked easily through the internet. It is not a difficult task but it is important to do the booking from a reputed travel site only. The best option will be to book these private apartments through Queensland tourismâ€™s own travel site. Luxury apartments can be expected to cost you around 1000-3000 Australian Dollar (AUD).

Apartments are also a great option for those who travel to Cairns in groups. A group of 10 people can easily accommodate in these apartments, without any additional charge. There are also special packages available with most of the apartment in cairns. So, it will be better to avail such packages for a better bargain deal. If you plan to book the apartment 6 months in advance, there are plenty of special discounts to choose from. However, such offers come with â€œno refund on cancellationâ€• policies.
