Managing Transportation in New Jersey by [Christina Kevin](#)

Article published on May 24th 2012 | [Travel](#)

New Jersey is the state of U.S located in the North Eastern and Middle Atlantic regions of the country. New Jersey is the 11th most populous state of the U.S with a population of more than 88,21155 people as per 2011 estimate. The state of New Jersey is full of rich culture and traditions and witnesses a long history that dates back to 17th century. It was among the 13 colonies that revolted against British rule in the American Revolution. The historical state of New Jersey has a wealth of attractions to offer to its tourists. Transportation facilities include private cars, taxis, vans, buses, transits etc. There are many companies offering online limo booking in NJ. Chauffeur driven limousines in New Jersey are found at highly competitive prices.

New Jersey limos are found all over the state in almost all counties. The most popular limousines include sedan limos, stretched sedan limos and stretched SUV limos. The couples, small families and corporate travelers prefer to hire sedan limousines because they are considered as a symbol of status and wealth. The stretched sedan limousines are the most popular limousine vehicles around the world. The most popular sedan stretches include Lincoln Town Car Stretch and Chrysler 300 C Stretch. Aside from other types of limousines, people who are traveling in groups of friends or large families prefer stretch SUV reservations because these ultra large and luxury vehicles allow a total of 18 passengers to be seated comfortably.

## Cheap Sedan Services

New Jersey offers a plenty of opportunities for the travelers and tourists to manage their transportation. From highly expensive ultra luxury vehicles to cheap sedans, there is just about anything to fit your budget in the New Jersey state of US. Sedan limousines are considered as a choice for majority of people due to their class along with economy. They are the choice of people who are status conscious but at the same time are looking for budget friendly transportation. The most popular of all sedan limousines include Mercedes S Class, BMW 7 Series, Lincoln Town Car L Series and many more. These vehicles have a comfortable seating capacity of maximum 3 people. Couples and businessmen prefer sedans for stylish yet cheap transportation.

## Cheap Airport Limo Services

There are many transportation management firms around the state of New Jersey that offer special local as well as online booking services for airport transfers. The families as well as corporate businessmen hire airport limousines as a comfortable and convenient transportation from airport to hotels or their private accommodations. Many businessmen who travel to New Jersey for attending business meetings or conferences hire airport limousines, mostly stretched sedan limousines. These limousines offer fabulous features like a fully stocked bar, plush interior with comfortable leather seating, Wi-Fi on the go and more.

Bridge Limousine is one of the leading online limousine booking companies of United States offering special cheap services in the city of New York. They have been providing comprehensive limousine services since more than 5 years. Their chauffeurs are fully licensed and professionally trained.
