Mauritius - Not sure whether in dream or not by [Prashantkumar](#)

Article published on December 22nd 2011 | [Travel](#)

While in Mauritius, you will not know whether you are in a dream or not. Such is the enchanting beauty of the island. It makes you aware of the meaning of the word "beauty". This small, multi cultural island with its contrast of a variety of colors and tastes and set in turquoise sea is a haven of peace and tranquility.

Mauritius is set in Indian Ocean. The white beaches of Mauritius are protected by a coral reef barrier. This encircles almost the entire coastline except for the southern end. Here it falls off and thereby some wild waters and dramatic cliffs can be seen. There are plains in the north. From there the land rises to central plateau dotted by lakes and extinct volcanic craters. There are also some uninhabited islets scattered around the main island.

The beaches and lagoons are the prominent attractions of Mauritius package tours. Lagoons are with typical tropical sweetness and beaches are endless. These make Mauritius a real paradise for those who want to enjoy the sea or just to soak up the sun. Some of the finest public beaches of the island are Grand Bay, Pereybere, Belle Mare, Blue Bay, Le Morne and Tamarin and Flic en Flac.

Grand Bay is said to be best for sailing, windsurfing and water skiing. Pereybere is one of the finest bathing spots on the island. Belle Mare is a very long white spotless beach. Blue Bay situated on south east of island is an ideal bathing spot and suitable for windsurfing and sailing. Le Morne and Tamarin offer another very long beach suited for bathing and also is a very popular surfing spot. Flic en Flac is a very white beach lined by trees.

Sea around Mauritius boasts of immense marine life and magnificent coral beds. In a Mauritius trip, you can scuba dive or go in a submarine to unravel the secrets of submarine world of Mauritius. Going in a Blue Safari submarine is one option. You can glimpse marine life and many wrecks " some very ancient. One can also engage in night diving. Passengers of all ages can make use of an absolutely safe semi submersible " "Le Nesse". There is also provision for undersea walking for those who long for that adventure.

Mauritius is an ideal spot for deep sea fishing. The sea is seventy kilometers deep from one kilometer distance from the shore.

There are the spas which are the attractions of the holiday in Mauritius. Experts take care of you in these spas " the havens of fitness and enlightened senses.

Mauritius tour operator can arrange for opportunity to improve one's golfing skills. Most hotels have golf courses and training is on the offer. Equipments can be had for rent.

From Le Pouce, you can have panoramic view of Port Louis and North Mauritius. The climb is a worthwhile effort for the stunning view that will stay with you forever.

Flora of Mauritius is composed of seven hundred species of indigenous plants, many which are threatened with extinction. You can explore this exotic specimen and many other going mountain climbing or hiking through forests. Then, there is the SSR Botanical Garden which is known to naturalists throughout the world for their large collection of indigenous and exotic plants.
