Railway Tickets at Your Ease by [Slena Marie](#)

Article published on February 6th 2012 | [Travel](#)

Travelers of today do not hesitate to visit distant places and popular destinations of the India because the online portals have the availability of Indian railway tickets. One should thank the web services for this change because of which our life has become easier and less stressful. Are you one of those who still think that travelling to distant places and purchase of railway tickets is formidable task; you must exit from hibernation and discover how easy it is with the online facilities offered by Indian railways.

Railway ticket booking has become very easy as there are many sites along with the official site of Indian railways that offer this facility. Indian railways very well make sure that all functions in the site are user-friendly and easy to use by the passengers. You no more have to pay huge amount of money as commission to the local travel agents for your railway tickets. All that you have to do is spend some time in the internet and find the train of your choice and get your railway tickets booking done on your own. Now one can travel to any part of the India hassle free with worrying about the hassles of train reservation. Only thing you have to follow is some important tips like booking of railway tickets in advance and choose to avail various deals available on the Indian railways website. One can also utilize these website for gathering all sort of information regarding your train and. After filling up the required information for your journey at the time of booking one just have to select from two types of booking namely E- ticket booking and I- ticket booking. Both of them are a form of online railway ticket booking but are very different indeed. E- ticket is electronic ticket which once confirmed appears on the screen and one can take a printout of it as a railway ticket where as I-tickets are sent to the address provided in the form hence it has to booked at least two days prior to the date of your journey.

So next time if you are planning for a vacation with you family and friends to any of the beautiful destinations of India than you need not worry about the railway tickets booking as Indian railways with the help of world wide web has made things easier and effortless for the travelers.
