Services and achievements of Jet Airways by [Travelhub](#)

Article published on February 1st 2012 | [Travel](#)

Jet Airways was founded and supervised by Naresh Goyal and his associates on 1 April 1992. It is one of India's most favorite and truthful airlines. This oldest private player company was formed immediately after liberalization. It has been awarded by the "œmagazine" for its cuisine and the hospitality in the airlines. It has given good compete to other stated-owned airlines.

It's one of the greatest growing airlines in the world who always try to give the better way of fly to their passengers. Its main hub is Chhatrapati Shivaji International Airport located in Mumbai and rest in Delhi, Bangalore, Kolkata and other cities of India. It has an international hub also at Brussels Airport in Belgium. It is worldwide famous for its services and achievement which are as-

Domestic and International Short Heave

It is obvious by its name that this class is for the short haul on all domestic and selected international paths. This flight ticket booking has only two categories. First one is Premiere having large seats with personal LCD screens on the side and second one Economy -seats with 30 inches and personal LCD screen placed on the back of the seats.

International long Heave

After the achievement of the Airbus aircrafts, Jet has begun Premiere and Economy classes. On Boeing aircrafts has three classes: First, Business and Economy.

First Class

Like Singapore Airlines first class seats, all seats modify to a fully flat bed but much smaller. It was the first air line in the India and on second position in the world to have private suites. All seats in First have a 23-inch widescreen LCD monitor with audio-video on-demand systems.

Business Class

The business class has got three-star status by independent agency Skytrax for its service and ambience. The passengers in this class are served meals on very modern (the Landscape) tableware.

Economy Class

Every Economy seat has a personal 10.6-inch touch screen LCD TV with AVOD. It has hammock style 32 inch seat pitch.

Entertainment

There is also in-flight entertainment (IFE) service in Jet Airways. Thus passengers can start, stop, rewind, and fast-forward any video or audio as desired. It has over 100 movies, 80 TV Programmes, 11 audio channels and a CD library of 125 titles. The system operates via individual touch screen monitors at each seat, and is available in all classes.

Airport lounges

There are special lounges for to First and Business Class passengers, but along with Jet Privilege Platinum, Gold or silver card members. The international lounge at Brussels has showers, trade centre, entertainment services and childrenâ€™s play areas.
