Services & Facilities at the London Heathrow by [Jocasta Marvin](#)

Article published on June 20th 2012 | [Travel](#)

London Heathrow airport is among the most popular landmarks of United Kingdom. Being the world third busiest and most advanced airport, London Heathrow is among the places that are the country's pride. The airport was named after a small village which situated long time ago at the land where the building of Heathrow airport of modern day stands. Heathrow is the third busiest and largest and the UK's busiest airport. It witnesses more than 69 million passengers passing through its gates each year. The London Heathrow airport is the destination for many of the world's renowned airlines. It is also the main hub for British Airways since long. London Heathrow airport consists of amenities, services and facilities which are incomparable. Its facilities are second to none in the world. The airport offers just about all kinds of facilities suiting all kinds of travelers which include disabled travelers with special needs, business travelers, corporate class travelers, individuals and families with children.

There are places for eating as well as shopping. For the convenience of families, the airport also offers great recreational facilities for small kids which include a play area. There are bars, cafés, shops and restaurants offering all kind of international cuisine. It is owned and operated by BAA which is a multinational firm that also owns many other major airport of UK including London Stansted Airport, Aberdeen Airport, Glasgow International Airport and Southampton Airport. There are many transportation firms at the airport offering superior class services of private cars, taxis, advanced cab booking services, airport's own train service "Heathrow Express", buses and coaches traveling to all major destinations across the nation.

Car hire

Car hire facilities at the London Heathrow airport are one of the best around the world. The airport has the largest network of country's renowned car hire companies offering superior class services. For the convenience and ease of passengers requiring hiring cars, these companies have their booking desks located at the international arrivals lounge at the Heathrow airport. It is very easy and convenient to hire a car at Heathrow. Due to great competition, these companies offer highly affordable car hire rates which are unmatched across London. The companies offering services at the Heathrow airport include Europcar, Alamo, National, Sixt, Hertz, Avis, Season Car Hire, Budget and Enterprise. These companies offer all kinds of cars ranging from highly economical sedan cars to highly expensive and luxurious stretched limousines.

Cab services

For those looking for airport cabs, the Heathrow airport has a wide number of companies offering special dedicated airport cab services. Among the most popular airport cab services includes CrossCab. They offer sedans and MPVs suiting all kinds of airport transfer requirements. There are also wheelchair accessible airport cabs for transferring disabled travelers. The drivers of airport cabs are local to the city of London therefore getting to any part of London from Heathrow airport via airport cab is trouble free. The airport cabs work 24/7 and can be hired from the outside of terminal building.

Cab reservation

Getting your cab reservation done for your trip via Heathrow airport is as easy as a pie. CrossCab being one of the leading online cab booking firms of UK, offers superior class cab booking services online via website or mobile site/application.
