Some of the Important Facts to Be Known Before Availing of the Dharamshala Hotels for Accommodations by [Dajon Walcott](#)

Article published on June 30th 2012 | [Travel](#)

The Dharamshala hotels are famous for the exotic scenic beauty that they provide from their window. Apart from excellent facilities that can be availed in the hotel, there are few places where hotels can provide spectacular view of the place from outside also. The hotels are known for their hospitality and service section. The Dharamshala hotels range from 5 stars to 2 stars and there are also budget hotels in inns for the travelers who are unwilling to spend too much of money on the hotels. People who want all the comforts and feeling of home outside can book hotels that provide facilities from restaurants to spas. These facilities are available free of cost to the guests in the hotel.

Precautions of the hotel

The precautions that the people must take are that they should check about the policies of the hotels before hand. People who are new to the place should not trust any person and go for any hotel they suggest. Safety is the first concern for people who are living in outstations. For this purpose there are authentic hotels that provide the facility of online booking. There are agents that help in the booking of hotels and take responsibility of the staff and authenticity of the hotels. Other things that should be kept in mind while booking Dharamshala hotels is that the facilities that the hotel offer can be paid or free of charge. These things are mentioned in the policies and everything should be confirmed before using these facilities.

Facilities

The Dharamshala hotels are situated amongst the mountains and have special scenic beauty for the guests. Situated in between the mountains, the Dharamshala hotels do not leave any stone unturned to provide the best living experience to the guests. The spacious rooms, elaborately designed lobby and many other things are just a cherry on the cake. The prices of the hotels are less as compared to other cities and thus people who visit the place save a lot on costs. The facilities that the 5 stars hotels provide also include restaurants, spas or lounge facility. There are conference halls, seminar halls and meeting places where the professionals could conduct their regional meetings. The 24 hours service of front desk enables the travelers to get help on any issue at any time. The staff is extremely helpful and is available at service for all 24 hours. The Dharamshala hotels are the best example of economy and luxury.
