Spend Some Beautiful Moments in the Lap of Nature with Darjeeling Tourism by [Kalpana](#)

Article published on April 2nd 2012 | [Travel](#)

Darjeeling is no doubt has made its place in the top of world's tourism map. A stunning destination in north-east India, it is one of the most sought after tourist destination fascinates visitors from different parts of the world, all the year round. Romantic trekking trails, towering peaks including Kanchenjunga, ornamental monasteries, mystic hills, aromatic tea gardens, spectacular sightseeing and refreshing and healthy climatic conditions, all makes it a finest holidaying destination of nature-lovers, honeymooners, holiday seekers and adventure thrillers too. Beautifully set on the in the cosy and inviting lap of mother-nature, it is an ideal holidaying destination for those who wish to spend their vacations while admiring several awards of nature. Every year tourists from different corner of the world visit this place and go back with several everlasting holidaying experiences. Virgin natural attractions, cool climatic conditions, scenic hills, cascading waterfalls, and ranges of floras and faunas make this place no less than paradise on earth.

Apart from its natural attractions there are so many things that add stars in Darjeeling tourism and enhance its popularity world-wide such as its exotic resorts, mouth-watering food, well-cultured people, plush five star hotels and several colourful celebrations that make their surroundings feisty and lively. It is one such place where there is no dearth of attractions and enjoyment any more. Besides several things it is well connected with excellent transport facilities and that makes the journey easy and cosy as well. Besides its several attractions and wonders, it is popular for its huge refreshing tea gardens. Several refreshing and aromatic tea gardens are the main source from where the world's best tea leaves are acquired and are made ready for the national as well as international supply.

Apart from its refreshing vast tea gardens if there is any other attraction that tempts tourists most then Himalayan railway fondly called toy train takes tourists through stunning attractions and fill their heart with fun and ecstasy. A trip to Darjeeling would not be completed unless you do explore its iconic attraction which is not less than toy train declared as UNESCO World Heritage Site in the year 1999. This train is not merely a source of enjoyment for the young and old but it also represents an engineering skill of the highest order. A toy train is starts from Siliguri to the stunning hill station of Darjeeling is considered an engineering feat and passes through very picturesque country.

In terms of attractions and spectacular sightseeing there is no shortage in this place as it is bestowed with several stunning attractions and alluring destinations and Tiger Hill is amongst them considered one of the best attractions in Darjeeling.

Locates 11 km from the main town it is one of the highest hill in that area has an altitude of 8,500 ft. one thing that everyone must experience there is its spectacular view of sun-rise simply stunning and mesmerizing. Apart from there are many other attractions that one can explore through North East tour packages such as Observatory Hills, Bhutia Busty Gompa, Ghoom Monastery and etc thus visit this place and collect some memorable holidaying experiences.
