The Best Honeymoon Destinations to Offer an Unforgettable Experience by [Darnell Kaufman](#)

Article published on April 19th 2012 | [Travel](#)

Are you finding it difficult to pick the best honeymoon destinations? Couples face difficulties picking the right location as there are countless countries and destinations that all offer a unique experience. Reports state that around 67% of couples wish to spend their honeymoons in foreign countries. The best honeymoon destinations offer an unforgettable experience for newly married couples. For this reason, honeymoon destinations must be chosen carefully.

The honeymoon binds the relationship between newly weds. It is important to choose the ideal location depending on the couple's preferences. Whether looking for new and exciting or peaceful and serene, newly weds can find a wide range of choices and destinations for the perfect honeymoon.

There are countless honeymoon destinations throughout the world. Many popular locations, however, can be crowded with tourists or locals, which prevent couples from a peaceful environment in which to enjoy their trip. If you are looking for honeymoon destination, here are a few emerging locations to consider:

Nicoya Peninsula, Costa Rica:

The Nicoya Peninsula is known for its beautiful beaches in Costa Rica. You and your spouse can find a wide range of accommodations that fit your expectations and budget in this peaceful environment. You can also indulge in various outdoor activities like surfing, scuba diving, and more.

La Guajira, Colombia:

La Guajira is a peaceful environment for couples located in the Atlantic coast of Colombia. Its beaches are serene, with great scenic beauty of the coastal regions and amazing flora and fauna.

Cayo District, Belize:

Cayo District, known for its natural beauty, is located in Belize. In Cayo District, you can spend your nights in a beautiful Riverfront Cabana.

Placencia, Belize:

Placencia never fails to surprise its visitors with its amazing variety of coral and marine life. It is one of the world's greatest scuba destinations. Located in the west coast of Belize, Placencia offers access to the Belize barrier reef, second largest in the world. It offers a wide range of luxurious accommodations such as seaside cottages .

Quepos "Manuel Antonio National Park, Costa Rica:

The Manuel Antonio National park is considered a Garden of Eden, is filled with lush green vegetation. It is truly a tranquil environment for couples with secluded beaches and calm surroundings.

Salvador "Brasil

Salvador is an upcoming destination for honeymooners offering amazing beaches, unspoiled nature and locals that know how to live life to the max.

Bocas del Toro “ Panama

Close to the United States, offering small boutique hotels, nature, beaches and activities.

These are some emerging honeymoon destinations that can offer an unforgettable honeymoon experience.
