Montes de Toledo is another tourist resort that is scenic at the north of Castilla. This is where the Toledo Province boasts of its mountainous formations that are purportedly the oldest in the world. Almost all visitors would be enthralled with this scenic beauty which is bound to take one's breath away.

The mountains loom with majestic aura with time standing still in the most picturesque surrounding. One can view the quaint town of Montes de Toledo from here.

Scenic Sight

The majestic mountains of Montes de Toledo are located at the province's south with Ciudad Real nearby. This is the undulating landscapes of Appalachian relief with high and low lands that form a beautiful natural panorama. This is truly nature at its best; the variation of landscapes opens a totally different world in this scenic surroundings.

The lush green forest adds on another piece of nature that is panoramic and pleasurable to behold. The forest houses the myriad of flora and fauna that co-habit amiably making the forest a truly "cosmopolitan" environment in the plant and animal kingdom.

There are plenty of different beauties and discoveries to be made in this region with something for every visitor. Montes de Toledo offers a variety of natural treasures that are beautiful and exquisite for the nature lovers and adventurous.

Montes de Toledo is for those who make time to "smell the roses" as it is surrounded by a vast range of uniqueness and peculiarity which is rarely found in big towns and cities in any part of the world today.

Attractions

Montes de Toledo offers 2 popular tourist attractions; they are Talavera de I Reina and Toledo. Talavera Reina is home to 73,200 residents with a rich historical culture which will thrill history buffs. There is plenty of history at Talavera through the many archaeological spots around the region.

Toledo is the smaller attraction with only 67,600 residents; however, it is also a popular tourist attraction with the great climate and natural beauty all around. Most visitors come to Montes de Toledo to enjoy the natural surroundings and be refreshed as they relax in the natural surroundings.

Hence, Montes de Toledo offers adventure for those who want some thrills with nature while a quiet and relaxing holiday is in store for those who are seeking solace. The fresh cool air of the mountains would refresh any soul running away from the concrete jungles back home.
