The Wonderful Monte de Quinta Club Experience by [Michael Reilly](#)

Article published on March 6th 2012 | [Travel](#)

Are you dreaming of your next family vacation or romantic getaway? Are you looking for somewhere to go that offers sunshine, pristine beaches, exquisite coastlines and superior accommodation? The Monte de Quinta Club offers you townhouses or suites, Portuguese architecture and private accommodation that is comfortable and superior.

From the minute you arrive you can start enjoying your vacation with boutique shops only a short distance away, beaches where you can take leisurely walks or just lie back and soak up the sun, coastlines filled with caves to explore and crashing blue waves to make your summer vacation memorable.

Warm and Inviting Sunshine

The advantage of holidaying in Portugal is the weather, we just don't get that warm sunshine throughout summer here in the UK and it's so affordable and quick to travel there that you won't suffer from jetlag, which means you can start relaxing from the minute you step foot on the plane.

Then there is the Monte de Quinta club itself with lanes weaving between villas and townhouses, sparkling pools and great outdoor spaces. Nearby areas include superior golf courses, boutique shops for the shopaholics and beaches, lagoons and restaurants that are guaranteed to complete the holiday picture.

After a day at the beach, unwind next to the pool before heading off to one of the many restaurants offering delightful cuisine. Then go on to dance the night away at one of the nightclubs in the nearby area until the early hours of the morning.

Outdoor lovers will adore the Monte de Quinta club where they can walk along the lagoon, explore the caves or just enjoy the beach sports on offer. Swim in the crystal blue waters or walk around the nearby areas where you can soak up some culture and gaze in awe at the beautiful Portuguese architecture.

Put Your Feet UP and Relax

For me a holiday should be relaxing, it is somewhere I go to get away from the everyday chores and duties and somewhere I can put my feet up and relax. I love it when my husband goes off for a round of golf and I go for some pampering at a spa or take the children to the beach, even lying by the pool where I can watch the children play is enjoyable.

These days we all try and arrange our vacations according to a strict budget, so a Portuguese holiday is an ideal solution. It's affordable, flights are cheap and quick and the accommodation is superior with all the amenities I need to make it an enjoyable and memorable holiday.
