With the cut-throat competition among numerous airline companies, they have been compelled to reduce their airfares to a very reasonable and economic rate. This has proved to be the biggest boon for tourism in Sri Lanka. Previously, newly married couple had to be satisfied visiting places within their respective country, but now with extremely low airfares, they are opting for Sri Lanka tour packages that are within their budget. They get the opportunity to explore some of the most stunning spots never heard before.

More and more honeymoon couples are opting for Sri Lanka travel because of its sun-kissed beaches, adventurous sports and natural heritage. Island's crystal clear beaches attract the honeymooners where they can start their journey together- a lover's paradise in the true sense. It is a honeymooner's heaven with the stunning coastline creating a beautiful backdrop. Adventure lovers have numerous things in store for them, such as white water rafting, surfing, boating and trekking in the mountain range, plains and Adam's peak. So Sri Lanka tour packages have something to offer to everyone, be it a family on vacation, on a business trip, heritage trip or a honeymoon tour. Everyone goes back satisfied with very fond memories to cherish all their life.

As many people are converting to Buddhism, this too is the cause of tourism to flourish in Sri Lanka. There are many Buddhist monasteries that attract tourists from all parts of the world and by visiting this place, they come to know more about this religion. They are able to take part in the various religious festivals held annually to honor Lord Buddha and their art, culture and dance forms too fascinate them. As Sri Lanka is rich in ancient and cultural heritage, tourist take a Sri Lanka tour packages to explore these world heritage sites that are not seen anywhere in the world. Sri Lanka is home to eight heritage sites and the most famous and impressive them all is the Dambulla cave temples where over 150 images of Buddha are carved out of rock and the largest one is over 14 meters.

Hence tourism has become one of the main industries in Sri Lanka and the government is also taking various solid and valuable steps to expand it for the betterment and development of the country. So for discovering the land of diversity and timeless spirit, travel to Sri Lanka and experience its unique culture and humble people well known all over the world.
