Article published on July 1st 2012 | [Travel](#)

Mahabaleshwar is a very famous hill station located in the Western Ghats range. It is one of the choices for the people who love to explore through the beautiful nature, the evergreen forests. This city is a popular holiday resort and an important pilgrimage site for Hindus. While travelling the main problem that mostly arises is in finding an accommodation. Various renowned hotel brands have been providing magnificent services in their hotels situated all over the region. The facilities provided are perfectly suitable for food and logging during a few day visits. The hotels in Mahabaleshwar offer a superb luxurious and peaceful environment to the visitors. The visitor's choice in terms of hotels is based on variety of attractive stay packages being offered by each hotel.

### Location-

Many hotels have been made available in the famous Ghats of this city. The hotel locations very well provide a view of the valleys and mountains in the region. Along with the multiple facilities that the hotels in Mahabaleshwar provide during the stay, most importantly they give you pick and drop service to the customers desired pilgrimages and other temples. These hotels are situated in peaceful and pollution free regions so as to provide the best environment for an outdoor vacation. The hotels in Mahabaleshwar which provide unique view to the tourists are known to make a large business.

### Accommodation and Services-

Travelers often shop for hotels by considering amenities. The choice among the various range of hotels in Mahabaleshwar from one-star to five-star is based on the different services like restaurant or bar offerings, room services, attractive food menus, taxi dropping, saloons, as well as Wi-Fi internet facility. The core purpose of hotels to their guests should include a commitment to provide best in-room amenities. Hotels in Mahabaleshwar earn the loyalty and love of their guests by giving an excellent 100% guests satisfactory services leading to repeated visits and also word-of-mouth advertising by the people increasing its business.

When tourists are booking any room and paying a high price for it, they're expecting much more than the normal room services so it is the main target point of any hotel to attract more and more people and hotels in Mahabaleshwar assure the same service to its guests. The hotels are equipped with multiple rooms clubbed into basically four categories, such as deluxe rooms, super deluxe rooms, super luxury suites and super luxury double suite. The traveller can choose from the same according to their budget and the facilities they need.
