While watching out flicks of beautiful beaches, we usually realize that occasionally escaping is the need of real life. Visiting these picturesque settings soothes us, gives us relaxation and provides an overwhelming joy away from this hectic life. Well, if you too are hungry to wander around beautiful sea-shore, there are countless of options for you in India. Having a vast coastline, Indian subcontinent boasts some of the most stunning beaches on the world. This article brings you top 5 beach destinations in India. Just treat yourself with one of them, and collect handful of sweet memories to cherish in future.

Goa: Beaches in Goa are really enchanting renowned for their crystal waters, unspoiled coral reefs and amazing watery funs. They are enormously available with unique characteristics of their own â€“ from serene and peaceful Baga beach to fun-filled calangute and shopping-friendly Anjuna beach. Goa beaches offer everything â€“ sun, surf, sea, sand and sports, and cater almost all vacation styles of beach lovers. Surrounding beauties at these beaches are really awesome, and now they are dotted with many facilities to provide the visitors with vacations of modern era.

Lakshadweep Islands: A cluster of 36 small islands sprinkled in the Indian Ocean, Lakshadweep Islands will take your breath away with its splendiferous natural beauty. The beaches at the island are extremely pleasurable offering stunning vistas and mesmerizing water sports. Bangaram Beach is well equipped with accommodation and dining options, and is an ideal destination for leisure trip. Besides this, pristine beauty at Agatti, Androt, Minicoy and Kalpeni is also worth exploring. Lakshadweep beaches are a paradise for sports enthusiasts offering a wonderful array of adventures with sports such as windsurfing, snorkeling and deep-sea fishing.

Andaman Islands: An astounding mix of sea, sand and surf, Andaman beaches are famous for their tremendous natural diversity. Unspoiled beaches at Andaman are dramatically exotic and tranquil, and simply the finest for rest and relaxation. No matter whether youâ€™re a diver, surfer or simply peace-seeker, Andaman beaches will surely satiate you appetite. The most popular beaches at this archipelago include the Vijaynagar beach, Corbynâ€™s Cove, Radhanagar beach and Harminder Bay beach.

Kovalam: This scenic paradise is nestled in the Godâ€™s Own Country â€“ Kerala. Heart-touching greenery, soft sand and arousing waters at Kovalam beaches make it a prominent beach destination of South India.There are two main beaches in Kovalam: the Lighthouse beach and Eveâ€™s beach, both are connected to each other. Kovalam beaches are ideal retreat for surfers and sun-bathers. Besides this, you can enjoy amazing boat riding and a variety of water sports too.

Chennai: Beaches in Chennai are truly a breathtaking visual. Deep blue sea, sparkeling villas and resort and fascenetic groves here cast a magical spell to leave every mood enchanted. Scenic beaches of this metropolis provide great relief from the heat of summer. These beaches are quite popular not only among locals but among international travelers too. The famous beach in the city is Marina Beach, which is one of the largest beaches in Asia.
