Flights to Manila-Attractions That Make Manila Holidays by [Anjelinaclarke](#)

Article published on January 13th 2012 | [Travel Tips](#)

The city of Manila also called -The Pearl of the Orient- has very well preserved its rich historical heritage. The Intramuros a "Walled City", home to old churches, museums, art galleries and educational institutions is the nucleus of this historical legacy. The flights for Manila bring in many tourists the year round who visit historical destinations such as the San Agustin Church, the Manila Cathedral, Casa Manila, Bahay Tsinoy, and San Agustin Museum situated here. Manila also consists of many high end hotels, modern shopping centers, parks and recreational areas. Thus the visitors visiting Manila using flights to Manila experience a very enjoyable and comfortable vacation in the city.

The tourists visiting the walled city using cheap flights to manila can witness the religious heritage of the place. The San Agustin Church and the Manila Cathedral amply portray their religious significance in the society of Manila. The San Agustin Church, the oldest standing church of Philippines is credited of being a UNESCO's World Heritage Site. The Manila Cathedral is the highest seat of the archbishop and the Prime Basilica of Philippines. The cheap flights to Manila give the visitors a chance to experience history from close quarters in these religious places.

The art admirers and history lovers availing the services of Manila flights can also visit destinations of their choice, like the Casa Manila, Bahay Tsinoy and San Agustin Museum. The architecture of the Casa Manila museum is of Spanish style and depict the Spanish colonial era. The Bahay Tsinoy depicts the influence of Chinese culture in the lives and history of Philippines. The San Agustin Museum is home to the valuable antiques of the San Agustin Church. The flights from Manila with the best of connectivity give the visitors many traveling options and they get the unique chance to witness different cultures under one roof.

The University of the City of Manila (PLM) located inside The Intramuros is the most famous educational institution of Philippines. It is a municipal government funded institution where education is imparted free of cost. Established as a single college in 1965, the University has now expanded with 12 colleges, seven graduate, two professional schools, scores of research and specialized centers and a distance education and Open University program under its curriculum. Also the Mapua Institute of Technology (MIT) is the hub of science and technology in Manila and produces world class architects, engineers, and science graduates every year. Manila flights tickets are booked the year round by scholars and students using the Manila flights booking system.

The additional service called "Manila travel news" provides the perspective visitors with up to date information on the above mentioned tourist attractions. This helps the tourists to sort out their priorities and plan the tour itineraries accordingly.
