Mae Hong Son a Great Place to Vacation with Children by [Lek Boonlert](#)

Article published on November 28th 2011 | [Travel Tips](#)

Perhaps one of the reasons that the city of Mae Hong Son and the province is such a popular tourist destination is the fact that there are a number of activities that target families with children. You can find plenty of information regarding family oriented things to do from any of the cheap Mae Hong Son hotels. If your children are active, you will have no trouble finding venues that will hold their interest and put a smile on their faces. Here are a few to consider:

Elephant riding - with its picturesque landscape and the lack of tourist hordes, Mae Hong Son is by far one of the best destinations in Thailand to go elephant riding. There are numerous choices of treks that you can enjoy ranging from a simple half day ride to ones lasting up to 5 days. The longer elephant rides typically take in the mountainous landscape and the river routes.

Mountain biking - for older children, this is one of the more popular activities. There are a number of companies in the city that organise mountain biking adventures, all of which are extremely affordable and very enjoyable.

Rafting and trekking - these are two other extremely popular activities for families vacationing with their children. Rafting on the Pai River as well as trekking through nature is oftentimes incorporated by those companies who offer elephant rides so that you have a well-rounded and adventurous agenda with any of these activities.
