Kentucky RV Camping – Camp in the Land of Bluegrass [William Burk](#)

Article published on May 25th 2012 | [Vacations](#)

RV camping is defined as camping in an enclosed vehicle that resembles a living space. Most of these recreational vehicles come with a sleeping area, dining area, kitchen and a basic bathroom. The more luxurious units come with enhanced features and often include a living space or entertainment area. If you own a recreational vehicle and are wondering about where to camp this summer, Kentucky can be a great option. Known for its fields of bluegrass and horse farms, this state offers numerous facilities for RV camping. The most popular attractions for most of the campers are Mammoth Cave National Park, Clarks River National Wildlife Refuge, Cumberland Gap National Historic Park, Abraham Lincoln's birthplace, locks along the Ohio River, Churchill downs, the Bluegrass Museum, and the Kentucky Derby. Better yet, Kentucky houses many RV campground and parks.

Most of the Kentucky RV campgrounds feature large open spaces and can accommodate the biggest rigs available in the market. You will find all kind of RV camping sites including full-hookups, water and electric only sites, primitive camping sites, back-ins, and pull-thru sites. Besides, they all offer easy access to the major highways and interstates. These RV campgrounds and parks also offers a wide variety of outdoor opportunities such as fishing, boating, hiking, swimming, horseshoes, volleyball, basketball, badminton, and playgrounds. Some of the RV camping facilities also organize special events and planned activities throughout summers.

The following are some of the popular RV Parks and campgrounds of Kentucky:

**Cave Country RV Campground:** Located close to the Mammoth Cave National Park, Cave Country RV Campground is just off Exit 53 on Interstate-65 in Cave City, Kentucky. This RV campground features around 51 campsites with all kind of modern amenities. It has a comfortable clubhouse and a new fitness room. It is a pet friendly facility with fenced pet run area. Propane is available on-site and the camp store sells souvenirs, gift items and first-aid items. Cave Country RV Campground offers easy access to several area attractions such as The National Corvette Museum, Lost River Cave & Valley - Underground Boat Tours, American Cave Museum & Hidden River Cave, and Dinosaur World to name a few.

**Bluegrass Music RV Park:** This RV park is located in Franklin, Kentucky. It is only a few minutes from Opryland, Bowling Green, Nashville, and the Cave Country. Bluegrass Music RV Park is close to Interstate-65 at Exit 6. There are around 118 RV camping sites including 90 full-hookups and 28 water and electric only sites. The back-in & pull-thru sites can accommodate larger units and this RV campground offers repair and wash services. In addition, Bluegrass Music RV Park features one and two bedroom cabins and tent camping sites.

**Indian Hills KOA:** In Russell Springs, the Indian Hills KOA overlooks Lake Cumberland, the most scenic recreational areas of Kentucky. This RV campground offers a combination of conveniences with comforts. There are around 180 RV camping sites. It also offers cabin rental and designated tent camping space. For recreational purpose, this RV campground features 18-hole miniature golf course, scenic trails, playgrounds, tennis court, TV lounge, swimming pool and a recreational building.

### Kentucky Road Rules

The state follows a seat belt law and hence, all passengers are required to wear seat belts and children less than 40 lbs. need to be in a car seat, which should be federally approved. Though you

can use hand-held cell phones while driving, texting is illegal in Kentucky as your drive.
