The largest continent of the world, Asia, is very famous for its tourist attractions. It has many places of tourist interest, especially the south-east of Asia has many interesting places which are all worth watching. These south-east Asian countries attract large number of tourist every year from every nook and corner of the world. The tourism in these countries greatly contributes to its national income and help in economic development.

Among these countries in Singapore, a south-east Asian country situated at the southern tip of Malaya. It is a country with 63 Islands and is considered as one of the four Asian tigers namely Hong Kong, South Korea, and Taiwan. Singapore is one of the highly urbanised countries. Despite this, 50% of it is covered with greenery.

Amazing fact about Singapore is that Singapore literally means lion city but lions never lived here. About 23% of its land is covered with forests, nature reserves, and trees and hence it is the centre of attraction for nature lovers from all over the world. If you want to experience the natural life of lion city, then you must opt for tour packages for Singapore. One can have the information on tour packages for Singapore from internet or any travel agency operating in their country. Singapore, otherwise called as the garden city, can be explored any time with comprehensive tour packages for Singapore.

If you are a nature lover, tour packages in Singapore are a great holiday choice. Singapore can be visited any time of the year. It maintains tropical rainforest climate with no distinct seasons. April and May are considered to be the hottest months whereas November to January will have wetter Monsoon. Tour packages in Singapore are formulated so as to meet requirements of all tourists.

Singapore is famous for its wild life and nature reserves and owing to this, it attracts millions of tourists every year. Tour packages in Singapore take you to many places of interest like Singapore Zoo, Birds Park, Night safari, Zoological gardens, children's world and many more. Singapore packages also include guide and coach services to enjoy water sports like water skiing, scuba diving and sailing at Sentosa island.

You can visit south-east Asia's largest bird park, Jurong, then to night safari where you can have the close look at the one-horn rhinoceros, and can clearly hear the howls of hyenas in the darkness, which are most adventurous and exciting. Singapore has special and attractive spots for children as well. Children's world where kids can interact with animals is a great place for kids. There are many play grounds for the enjoyment of kids.

Singapore also has many age old museums like Asian Civilization Museum, National Museum Of Singapore and Mint Museum Of Toys to name a few. Singapore's marine life can be enjoyed at Sentosa Island, which is most popular with the tourists for fun and educational experience.
