The exceeding number cosmetic surgeons in India and the blustering advisement of "looking perfect" websites are enormously present all over the internet. The evolution of the surgical market can be estimated by the fact the Americans alone spend 10,677,415,674 dollars to get under knife. In recent years Cosmetic Surgery in India has also aired the syndrome of looking "oomph" and thus has given a surge to the overall affection that ranked India among the top five nations for cosmetics surgical and non surgical procedures.

From lip reshaping, breast implantation, hip and eye surgery, tummy tucks Cosmetic surgery in India offers other various solutions. Though the majority of these procedures are still performed on women, men too look for these surgeries as permanent cure to their problems. Emerging countries like India are generating a lot wealth and people are choosing to spend their discretionary on these meditational procedures. Though, if experts are believed the surge is not dramatic and abrupt instead the number has just grown as compared to past.

According to cosmetic surgeon in India, Cosmetic Surgery in India still is different that from UK and America. Removal of fat tissues through surgeries has also been opted other than Nose and breast surgeries that are most preferred here, while in UK and US, legs, buttocks lips and abdomen other than breast is widely opted. But according to the doctors theirs is still lot of fear attached to these surgical procedures that takes long recovery time and leaves pigmentations.

According to the study of international society of aesthetic plastic surgery celebrities have played a key role in promoting these surgeries and by default amplified these bold procedures. Angelina jolie, the dazzling beauty has most talked about pout that excessively adds to her scintillating looks and falls onto desired list of ladies when talked about lip surgery. Nicole Kidman is yet another example that has made much fervor when a question of nose job is put up. Everyone wants a perfect nose just like her.

And when it comes to men the most sought surgeries are chin, legs and chest. Everyone wants to have a perfect do just like their favorite celebrity. George Clooney topped the charts in the same survey for being an owner of a coveted and perfectly formed chin that people wants to get. Similarly, the Hollywood heart throb brad has the most sought and loved nose.

In India as well many celebrities have gone under knife for achieving the desired looks. Shazahn Padamsee is one name that is doing rounds over box office has stunning face, a result of perfect face lift..!Cosmetic surgery in India has seen growth of these procedures and definitely increased confidence.

That states the increasing awareness towards surgical procedures and of course the need of tantalizing looks. Plastic surgeon in India believes the field has a vast potential for the budding surgeons. The commendable escalation in the number of people opting for these procedures is evident of better prospects for Cosmetic surgeon in India. The contributions made by Plastic Surgeons in India are numerous by way of devising new instruments, research and publications. Today every state in India has multiple plastic surgery training centers.
