Experience the Magic of Backwater in Kerala with Kumarakom Houseboat Cruise
Ever Interesting by [Anoop TU](#)

Article published on February 4th 2012 | [Boating](#)

Kerala is one of the most beautiful southern states of India. The state stretches for 360 miles along the Malabar Coast on the southern side of the Indian peninsula with an area covering about 15,005 square miles forming one percent of the total area of the country. The state is well known for its rich diverse ethnic places of attraction including its colorful glorious culture and heritage. Tourism in this place offer miscellaneous options to explore the beauty and wonders of Kerala giving a wide pendulum view of past and the future. Kerala today is a leading tourist destination of every nature lover and adventure excitors across worldwide.

The state offers one of the most peculiar awesome features of water bodies which had lead to immense of progress and development of the state. This is none other than the amazing backwaters attractions of Kerala. The backwater of this state is an amazing spread of water body form by a chain of brackish lagoons and lakes lying parallel to the Arabian Sea Coast well feed by 38 rivers rushing down from the Western Ghats which is again link by various canals of the country side. This chain of lake like backwater made up both by manmade and natural canals and lagoons creates an intricate network of waterways interconnecting numerous districts and towns with the cities of the state. Thus it becomes one of the main sources of development of the state.

If you look on to the famous tourist destination of Kumarakom backwater attractions of Kerala, you will come across the attractions of the Vembanad Lake. This popular Vembanad Lake where Kumarakom is set is the largest fresh water lakes of the state which is also a part of the backwaters.

People often rush for Kumarakom houseboats cruise as this Vembanad Lakes gives a wonderful opportunity to experience the most amazing uninterrupted chain cruise on the backwaters of it. Vembanad Lake is the largest of the lakes covering a wide area of about 200 sq km and is bordered by Alappuzha, Kottayam and Ernakulum districts which are some of the prominent backwater destinations of the state. The port Kochi is also located at the Lake's outlet to the Arabian Sea. Thus it gives a wonderful opportunity to explore most of the major attractions of the backwater by this astonishing lake of Vembanad. So, majority of the tourist who are looking forward for the backwater thrill often land on this particular small town of Kumarakom to enjoy the unlimited fun cruise of Kerala houseboat excitement.

The houseboats in Kumarakom are the new generation houseboats renovated into a creative cozy hotel like houseboats. They are made and well organized in such a way so as to give the maximum delight and satisfactions to every traveler of it. These houseboats are much better than any other five star hotels with excellent world class luxury and comfort along with opportunities for adventure expedition offered in it.

Kumarakom packages not only offers spectacular view of the wonders of nature with backwater cruise but also gives delight and gratification that will remain imprinted for life time memory of its mesmerizing cruise like never before.
