Paws 4 people is a program that aims to place certified, insured and trained service dogs with war veterans and or other active duty military personnel who are suffering from PTSD or TBI. The goal of Paws 4 people also intends to place one of these trained and certified dogs with children below 14 years of age who are presently suffering from various physical, psychiatric or psychological challenges.

The need for these service dogs is running higher with every passing day. As more and more soldiers return from Iraq and Afghanistan with the ghosts of war haunting them, these specially trained service dogs are all they have to keep them sane. The training of these service dogs require numerous infrastructural and maintenance cost like food, shelter, etc. This is the reason Paws 4 people are seeking help from you. You can help these people who gave up their life to protect you. Here are 3 ways how you can do this:

1.Donate Online

You can visit the website of the Paws 4 people program and find the link to donate money through secure online transactions. Paws 4 people accept various modes of online payment like, credit cards, debit cards and net banking. The best bit about these donations is the fact that they are completely tax deductible owing to the fact that Paws 4 people is a 501Â©(3) organization.

You can donate any amount that you want. No matter what is the donation amount, Paws 4 people thank you for your gesture towards ensuring that every war veteran and child has a dog to support them. Please donate and spread the word for this program.

2.Mail Your Donation

Are you skeptical about online financial transactions through debit cards and credit cards? You can always mail your donation to Paws 4 people. The address for mailing your donation is:

Help Kyria

paws4peopleâ„¢ foundation

P.O. Box 491
