Spousal Support is Designed to Help the Lesser Party in Divorce Cases by [Lessie Burnett](#)

Article published on January 9th 2012 | [Business](#)

Everyone is an individual, and living together with someone over a period of many years can create changes that can either make you grow closer together, or grow further apart. If you and your spouse are experiencing marital distress, and are considering divorce, you may want to speak with an experienced and knowledgeable Albany attorney that may be able to help you to understand your rights under the divorce laws in New York. There are many changes that have taken place concerning collaborative law, and a knowledgeable Albany attorney will be able to tell you what those changes are and how they may affect you in cases of divorce. In this manner, you can also protect your personal as well as some marital property, in addition to your individual rights under the law.

When it comes to a divorce, many couples face child custody and support issues, as well as spousal support decrees when they decide divorce or separate. There are many couples that can reach an amiable agreement together, concerning spousal support. Spousal support is specifically designed to ensure that neither spouse is left with an insurmountable financial burden. Other couples cannot reach an amicable agreement concerning spousal support, so you may want to consider speaking with a Spousal Support Lawyer that may be able to help you come up with the most equitable and fair spousal support order for your unique situation. In many cases, solutions for spousal support do not come very easily. This is because spousal support is different from child support, because there is no specific formula that is followed to calculate the amount of spousal support to be paid and/or received. In New York, the court awards spousal support based on the facts of your divorce case, as well as prior case laws.

Knowledgeable Albany attorneys often have the ability to assist you in understanding the many factors associated with determining spousal support that are used in the courts. These factors include the duration of your marriage, tax consequences to both, the age and health of both, ability for the receiving spouse to be self supportive, contributions to the marriage of both and the loss or reduction of lifetime earning capacity. If you find that you are not receiving spousal support that you rightfully deserve, a knowledgeable and experienced spousal support lawyer may be able to fight to get you the spousal support that you need. Because of the many factors concerning spousal support, even existing spousal support order may be changed.

This is often because the payer has experienced a change in their circumstances, which will provide modification to spousal support arrangements. This can be positive or negative, depending on the circumstantial changes. Everyone and every divorce case is as unique as the people involved. If for any reason you are considering filing for a divorce and think that you may be entitled to spousal support, you may want to contact an experienced Albany attorney that understands New York collaborative law. In this manner, they may be able to help you by protecting your rights and your privileges under New York's divorce laws, to get you the most spousal support that you need and deserve.
