The most preferred cigar in the world Cuban cigar by [Martin Crowe](#)

Article published on July 20th 2012 | [Business](#)

The number of cigar fans has been gradually increasing with cigar turning out to be a fashion, once again. These are prepared in several parts of the world; however the most preferred kinds are Cuban cigars or Havana cigars, as they are broadly identified. With the large number of replicated ones running around the market, here are certain things to notice, when in search of authentic Cuban cigar:

â€¢ Only buy Cuban cigars from a well-established Cuban cigars store.

â€¢ Trust your instinct: if the cost seems too high to be true, in that case it perhaps is. If youâ€™re new to cigars, find out the market cost for diverse classes of Cuban cigars, anything put up for sale with an immense lessening in cost is most likely fake.

â€¢ Check the package, ensure it is closely sealed and has a guarantee seal marked on it. Stay away from buying Havana cigars that come in boxes that turn out to be smashed or fiddled.

â€¢ Check the cigar by smelling it, if youâ€™re permissible to unlock the pack. Authentic Online Cuban cigars have extremely rich and strong scent, and if you have a bit of familiarity you would effortlessly make out which is authentic and which is fake. Also, pinching it gently should reveal that it is soft and its surface is even

â€¢ Check the website first, if youâ€™re planning to buy cigars online. Nearly all well established businesses would ensure that they have an impressive website set up for online clientele. You can look for consumer reviews regarding them also.

Remember: displayed above are merely common guidelines on how to stay away from fake Cuban cigars. Experience is the best teacher, once you get a hand of how cigar fans carry out their trade, finding and buying authentic Cuban cigar will turn out to be easier.

Cuban cigar costs: Cuban cigars are all exclusive; but, costs do differ to a great extent. Usually, these are put up for sale in boxes of 25, though this can vary with limited edition Cuban cigar boxes. For sure, buying it in Cuba is much cheaper than buying it outside Cuba. Often the cost of a small package of it outside Cuba can be three times the cost it is sold for in Cuba
