Article published on June 11th 2012 | Computer

ã€€ã€€Blizzard has released an diary-style article entitled Immersed in the Mystery of Panda Leah a Night recently which briefly describes assume that 90 players will be able to experience things after the launch of the Panda Leah fans.

ã€€ã€€We can find a lot interesting new information about the 5.0 piece of information:

ã€€ã€€Professional

ã€€ã€€Players will now may be be sent to a mining location directly through the archaeological excavations of some kind of artifact.

ã€€ã€€The number of each archaeological excavation increase point to be tapped.

ã€€ã€€Inscription will be able to make the wand and wand.

ã€€ã€€Professional level cap rose to 600

ã€€ã€€Camp reward

ã€€ã€€Currency exchange two imprint through new camp: "craftsmen imprint" and "senior citizen mark."

ã€€ã€€Craftsmen imprint: the purchase of toys and small pets

ã€€ã€€Elderly imprint: in exchange for new items, courage points, or lucky talisman

ã€€ã€€Lucky talisman allow players to get another opportunity to kill the leader, and the items can be picked up is not nothing to do with the players career items, but may only pick up to the money or consumption of goods. (Barring unforeseen circumstances this is the so-called bonus roll)

ã€€ã€€A copy

ã€€ã€€All teams copy has a random raid mode.

ã€€ã€€Random drop of the teamâ€™s copy system changes. (Detailed reference information is the LFR d changes)

ã€€ã€€Courage points is no longer the currency but changed to enhance items of equipment levels and attributes.

ã€€ã€€Random team will be given the courage to point, a copy of the Town, scene mode and challenge mode will be given more courage point

ã€€ã€€There will be a single copy of - the trial ground for the players to experience the story plot, practice techniques, as well as related achievements.

ã€€ã€€Pet Battle

ã€€ã€€Small pets can be trained to sell to other players.

ã€€ã€€Challenge Mode

ã€€ã€€Complete the challenge mode available to shaping the use of professional equipment.

ã€€ã€€Team to challenge mode players is no need to be in the same medals progress.

ã€€ã€€Complete all challenge mode gold medal will get the horse to

ã€€ã€€PVP

ã€€ã€€Complete the World PVP task and the target can upgrade conquer the point of the ceiling a week.

ã€€ã€€Participate in the arena may also be able to enhance conquest of the point of the ceiling weekly.

ã€€ã€€The properties of the spin-off of the toughness distribution changes so that the compatibility of PVP and PVE equipment improve

ã€€ã€€Two new goals battlefield - "coins mine," Kou Temo ancient Temple of murder ball ". (Details please refer to the new battlefield information)

ã€€ã€€Miscellaneous

ã€€ã€€Panda Leah on the continent hide the horse until the players to explore.

ã€€ã€€The new camp WoW Edition vegetables Story (For details, please refer to the new camp information)Panda Cloud Kau horse is made through the hatch growth process (details, refer to Panda mount information). Yongchun Valley expulsion of the magic of ancient events
