Ooty Packages: Some Really Interesting Things to Do in Ooty by Hungry Bags

Article published on January 28th 2012 | Destinations

Ooty is a breathtaking hill station in the heart of the Nilgiri Hills. It may not be a lavish grandiloquent place from a metropolitan corner but then its beauty lies in its simplicity and natural charms which it boasts of in abundance. Ooty packages are meant for those who are looking for a refreshing and rejuvenation holiday with family or for that elusive interaction of the soul searching for serenity. The silent, deep valleys & ravines and the dense green coverage of the tall hills will have a stimulating effect to your senses and will breathe a fresh lease of life into your soul.

This essay may be a good informative piece but only by taking an Ooty tour will you realize why it is so often compared with Scotland. Ootyâ€™s climate is chilly & pleasant which makes the place worth visiting throughout the year regardless of the season. Under an Ooty package, you can do lots of sightseeing and exploring including fishing & trekking.

Things to do in Ooty: There are scores of interesting things that you can do in Ooty but some of the ones that you must do have been demonstrated below:

Ride on Toy Train: Ooty is famous for its toy trains. Sitting on the giant caterpillar that will speed through the slopes and run atop jungles will definitely give you some real thrill. The view from the windows can be rapturous as the true scenic beauty of Ooty generally hypnotizes people.

Visiting the Dodabetta Peak: Ooty packages bring before you your date with the panoramic Dodabetta Peak. Feasting your eyes on the marvelous sight can be really enthralling but the delight will just double up if you can hold a hot mug of coffee at the same time.

Walking Into Those Alluring Gardens: Your Ooty tour will introduce you to the all-famous Botanical Garden that is a treasure house of some exotic plants, flowers, trees and leaves. Right from water lilies to eucalyptus trees to millions of years old fossil trunk, you can view them all. Your eyeballs will just pop out in amazement. And then there are those wonderful tea gardens spread all over the slopes.

Shopping, Wildlife and Boating: Go for shopping in the local markets, you will love to buy local tea and Nilgiri Oil! Wildlife enthusiasts must use the Ooty package to head for Madhumalai Wildlife Sanctuary while Ooty Lake & Avalanche Lake calls for some lovely bit of boating!
