The Central Board of Secondary Education (CBSE) is a Board of Education for public and private schools across the India, managed by the Union Government of India. They are holding the curriculum of classes V to XII grade in government, private and public schools in India. The surveys have also estimated that these schools results are turning far better as compare to other board of education.

The reason is that maximum students understand CBSE oriented subjects in better ways. The mentors of these schools are appointed in various reputed CBSE Schools in Gurgaon on behalf of their subject specialization in academics and best teacher qualities to educate each type of student with individual attention. These schools are maintaining their over all study curricula[™]s by adding Final Assessment (FA) part I and Final Assessment (FA) Part II is which includes each student's participation in various extra-curricular activities with terminal exams marks for making final results of their school term end for any particular class. In a way all the schools who are conducting CBSE syllabus are following English and Hindi Both medium of education.

Generally government schools have taken the provisions of Hindi medium school syllabus in their academics. In class XI and XII all the curriculum of the subjects depends upon the specific subjects options like humanities can be opt in Hindi too but Commerce & Science subjects can only be chosen in English medium. Times to time various new amendments are also being introduced in the syllabus and examination checking process in all CBSE affiliated schools in India.

Gurgaon is a well known city for its fast growth in educational sector as well as industrial sector. Various reputed ICSE Board Schools in Gurgaon Sec 5 are also nurturing the Indian talents for Global Competence. These schools are following the IB curriculum in their study pattern of school from class V to XII grade. All the ICSE board affiliated Schools have an idea, a plan, an honest commitment, an efficient organization, essential infrastructure, good financial back up and proven managerial skills.

Students will get the advantage of dynamic mentors, top teams of qualified, dedicated, competent and sincere staff who confidently believe in providing Global Knowledge to every student of the school. Such type of schools are widely adopting the all computer based teaching learning classes to teach the entire school curricula[™]s to their individual students in each class. Play school plays a vital role in a kid[™]s life. Play Schools in Gurgaon Sec 5 are comes in the top position Delhi and NCR region who are dealing best play way method of teaching learning tools here. Children between 2+ to 4 years old age can join these schools in their near about area. Most of the play schools are providing the school cab facilities for taking students to schools and dropping them back to their respective places or homes.
