Darksiders II is forthcoming Hack & Slash, action adventure game which is developed by Vigil games and published by THQ. It is the follow-up to Darksiders and is anticipated to get launched in August 2012 for all the top platforms like PlayStation 3, Xbox 360, Microsoft Windows, & Wii.

THQ has announced that Darksiders IIâ€˜s sequence of events will take place in the similar era as the initial game; simply this instance player will acquire power of the Horseman Death, as a replacement for War (his brother). The game Darksiders II will actually take place across an absolutely innovative compilation of maps, recognized to be 2 times in collective magnitude to that of its ancestor game Darksiders.

This game will furthermore featured the enduring 2 horsemen (Strife & Fury as they emerges in the game) with some capability. The game will take Death across numerous dungeons & city hubs. City hubs will provide side quest given by NPCâ€™s.

Another Issue of Game Informer in the month of July 2011, the cover attribute particulars that 1 city hub will unite to a number of dungeons. Thatâ€™s not all as that 1 city vicinity will Be having more prisons than the entire of the original Darksiders issue. Loot is a unique feature that is expected to be integrated in this game as well with dropping from encounter as booty which will varies from twelve special armor piece groups, which will be capable of having different attractions & may perhaps power up Deathâ€™s Wrath Powers.

Creating Darksiders II was almost at the same occasion as the creation of the first Darksiders. Subsequent to War is condemned and is force back to planet Earth by the Charred Committee; they enlighten the other 3 Horseman of his Destiny. The Horseman Death deliberated that his brother War is the most admirable and morally upright of the 4 Horseman, and will never have initiated the Apocalypse untimely, flies into a wrath. Judging that his brother is fatality of a conspiracy by some evil force,

Death confronts the commissionâ€™s guidelines & sets out on a special undertaking to find evidence of his brotherâ€™s virtuousness. Death moves back to the Nether Realms, a destination somewhere in amid of Heaven & Hell, to permit in special treatment from dominant beings that rule the kingdom.
