Antique tables that last a lifetime by [James Blee](#)

Article published on July 14th 2012 | [Family](#)

Do you want antique tables to adorn your front room; antique tables that are ideal for ANY interior design choices, decorated in accordance with ANY era of the past; antique tables to provide a safe surface for your remote control and invaluable items alike? Are you in awe of your friends, who have antique tables positioned throughout their abodes and want your own antique tables to place within your own dwelling; to add the final touch of bespoke glamour to your current lackluster surroundings that are crying out for an overhaul? - And, how about antique dining room tables? If you haven't considered what aesthetic appeal and uniqueness antique dining room tables can offer your feeding areas, then you certainly need to re- new your subscription to "Grand Designs" magazine or give Lawrence Llewellyn- Bowen a bell!

Welcome to antique tables, we specialise in providing hard wearing, durable, environment- withstanding, beautiful antique dining room tables to homes nationwide. At our showroom in Petworth, we are a team of experts passionate about the obvious visual appeal antique dining room tables can add to a room that is in need of a mini makeover; all without the need to crack open the troublesome tin of "Dulux"!

Here at Antique Tables, we have a vast array of antique dining room tables, French Provincial Farmhouse tables- from 17th, 18th and 19th century - servers and buffets, sourced from all across France; where antique dining room tables are BIG business! We also offer bespoke antique furniture- including antique dining room tables to whatever size and scale " restoration services that are both affordable AND reliable and provided by a 30 years experienced team of staff. If you order antique dining room tables and other such like from us, it will be delivered- safely and securely- in one piece. That's our promise, to you and, should you be at all dissatisfied with your antique dining room tables, we will do everything in our power to source- for you- a more suitable alternative.
