Volcano Electronic Cigarettes Caf  and Lounge by [Joe Volcano](#)

Article published on February 20th 2012 | [Health](#)

Volcano ECigs is host to a large and thriving vaping community that reaches across the nation and for years now customers in the mainland have wanted a Volcano  s Electronic Cigarette Store that was more conveniently located nearby. A big chunk of the Volcano ECig community is based on the east coast. Well the day has come. Volcano Electronic Cigarette Caf  and Lounge is opening in Raleigh, North Carolina.

Set in the heart of Downtown Raleigh you  ll find the Volcano ECig  s newest location. A lot of work has been put into this shop to make it a great place for vapers. From the ambiance to the food, Volcano  s Caf  and Lounge has just about everything. Painted with the traditional Volcano colors with great modern lighting, the mood of this shop is exquisite. The first part of the shop is the caf  where you can get Volcano  s Made in Hawaii, Waipuna Rise Coffee, or organic sandwiches and wraps.

In the back you can find the lounge half. Behind the counters you can find everything in Volcano ECigs inventory to test and vape. Try any of Volcano  s electronic cigarettes like the Volcano, Magma or Inferno. Or, get comfortable in one of the many plush couches and admire the collection of artwork on the wall such as the   Door-Lorean  . Volcano  s Caf  and Lounge is a great place to and enjoy vaping your ecig, with a long list of entertainment to choose from. The Caf  and Lounge offers WiFi and movies, Sports, or even gameplay on one of their high end TV  s. The State of the art surround sound you can immerse yourself in. At night the lounge offers beer and wine for those 21 and over.

Another great part of the new Volcano ECig Caf  and Lounge is their outside lounge. One would feel like they were in Hawaii once they see the grass shack style tables. On the wall is a beautifully mural of a Volcano painted by a very talented 21 year old graffiti artist. It is a beautiful setting for those who want to sit outside and vape under the stars.

Volcano Ecigs Caf  and Lounge is a wonderful new shop that brings customers of all ages a place to relax and Vape. It is located in the center of Downtown Raleigh and is open to art viewing during First Fridays. The shop will be holding its grand opening on Tuesday, October 18th. So head down and check it out!

[Joe Volcano](#) - About Author:

Joe Volcano is the Owner of Volcano Fine a [Electronic Cigarettes](#) along with Magma Mike. Joe and Mike first noticed in the Volcano online Chat Community that people were starting to create their own unique names, such as Lava Larry or Madame Pele. that followed the theme of Volcano. It was a great idea, and to better communicate with their fellow vapers they adopted the names Joe Volcano and Magma Mike.

Joe Volcano and Magma Mike both were born and raised in Hawaii, where they now do business out of. Both have a lot of experience with Marketing and web-site development. They have worked hard to bring smokers a healthy and easy way to quit smoking. They created success.

“We have been able to create one of the largest online [ecig](#) companies from scratch. This is with the help of plenty customers that believe in us and the product.” Its not hard to see why when Customer service is of the utmost importance to Joe and Mike. They care about the happiness of all their customers. More and More customers flock to switch to America’s fine [Electronic Cigarettes](#). “We were the first Company to open a Vapor bar, Vapor Chat room, and on-site Forum creating one of the largest Vaper social network in the industry. Joe and Mike have plans on developing many more social interactions in the future to get this community together to show America how fast this craze is getting, and how permanent it will be.”
