Payday Loans for 12 Months: Easy Way to Meet Your Short Term Dues by [Lewis Walker](#)

Article published on January 6th 2012 | [Loans](#)

Every one of us have faced financial crisis may it be for a short period or for a long period of time. So it is then when we need a helping institution to fund us accordingly as per our requirements. No more panicking for need of cash when you lack money for your small monthly routine expenses or any urgent cash needs. Payday loans for 12 months are at your rescue. This is a funding option where you are going to get the amount on the same day on which you apply and need to pay it back in 12 months.

Limited salary is no more a constraint for your routine cash needs or your style of living. This would require no credit checks. The amount will be approved on the same day when it is been applied for, so no more waiting for the cash. These are one of the best alternatives for the short term credit crunches. Any dues for the short span can now be easily paid through this financing option. It understands your need and aims in the fulfillment of those needs.

All you need is to be an 18 year old or elder and must have a steady flow of income. For applying you must have an active bank account. The amount to be funded may vary on the basis of your ability to repay and your requirement. The period of repayment is flexible up to 12 months. No matter if you were a defaulter in repaying the loans in your past, you are welcome to apply for the loan and repay it in 12 months. No delay and no more hassles of filling lots and lots of documents. You can apply for it online.

It reduces the lengthy and time-taking process of form filling. You need not have to put any collateral or security which would be taken away from you in case you fail to pay the amount back, so there is less or negligible risk for the borrower. Also you can avail the finance even if you don't own any fixed or movable property. Payday loans for 12 months will provide you with the amount you require on the same day you apply and the credit history will not be checked. Above all you can easily pay the amount back in easy and flexible installments in 12 months. So what are you still waiting for?
