SPRRG Group presents their fantastic project called Sprrg Osian Chlorophyll. The creation is developing in Porur, Link Road Chennai and is a good representative of green living instead being just a part of production practices. It is located away from the city in entire serenity and offers open spaces for recreation of your mind and soul. Osian Chlorophyll is spread around 9.2 acres of land and proudly flaunts almost 42 parks in the complex that adds to the greenery and poise environment to the development.

With 10 towers and 16 floors on each block, the project offers a choice between 1, 2 and 3 BHK apartments, penthouses and duplexes. The varying sizes ranging from 651 sq ft to 3495 sq ft, the township has around 1050 apartments that are clubbed with latest and world class amenities. The starting price of these residences is Rs 2864400 onwards. Each tower is perfectly landscaped and has parks at different levels going all the way to the fourteenth floor. The township has Indiaâ€™s largest terrace garden along with the longest terrace jogging track of India. Along with this, various world class amenities make this township, a luring deal that should not be missed. The complex is clubbed with Olympic size swimming pool, 1 Km elevated walkway with hanging gardens, various sport clubs, world class fittings and much more.

The development is best suited for the senior citizens as utter care; regarding the needs of the senior citizens has been taken and specially designed apartments for the senior citizens have been created. Manned security and electronic access cards add to the safety of the township, thereby making a heaven to live for children and women.

Every apartment is very spacious and offer sufficient open breach for fresh air and copious sunlight to enlighten your dream home. The price of these opulent and magnificent apartments starts from Rs 4250 per sq. ft. the splendid glories of this township has more added feathers that give total value to each penny you invest in the project. The residences are clubbed with modern facilities like laundry service, library, piped gas line, AC lobbies and much more that can help you flaunt your lifestyle, while you live total comfort and luxury.
