Nothing brings tears of joy to parents' eyes more than seeing their baby's many firsts. You have the very first time a child crawls, strolls and speaks among many others. However, as a believer in the Catholic faith, its theologies and doctrines, perhaps practically nothing can be more sizeable than your offspring's very first Holy Communion.

A child's very first Communion is seen as the first time that he would partake of the body of Christ as well as another of the seven sacraments of the Catholic Church, also consisting of baptism and confirmation. It is actually a rite of passage that is a milestone in every Catholic's life, so it's only fitting that you give your little one a present that is appropriate for the event. This isn't like a birthday where toys and games are definitely the standard present; your kid would just have one first Holy Communion, as a result it will have to be vital. The following are just a few gift suggestions you should take into consideration.

Christian Children's Books. There are numerous publications focused on the Good News that will teach beneficial lessons which small children can bring with them long after they've grown and they have little ones of their own. These manuscripts are considered timeless and can be passed down to their children and their children's children. You may even give them their first Bible or a prayer book.

Charitable Contributions. Being a true Christian means being benevolent and devoting your life to the Almighty Jesus Christ. Have you considered contributing a serious amount of your money to a charitable organization under your child's name? That way, your youngster would know the real meaning of being a Christian and realize how generosity can make a perfect addition to wearing patron saint medals.

Christian Jewelry. These aren't everyday baubles because they symbolize something more because they are more of a symbolic gift that acts to guard your son or daughter. Religious military medals can be found at discounted prices on the Web, so you may consider them. You could have them blessed by a priest to be sure that your son or daughter is safeguarded from all harm and wicked.

Holy Communion presents are supposed to last until your kid grows up, so it is vital that you give him something more substantial than cash or playthings. Bear in mind that kids will most likely outgrow toys, but Catholic saint medals and various other Communion gifts will forever serve as a reminder of the day that he first received the body of Christ.
