When it comes to planning the decor for a wedding, every woman knows that the little details require the most attention. The decor of a wedding reception is not only important for a bride and groom, it is also important to their guests. When choosing the right chair covers for your event, youâ€™ll want to think about your style and budget. Whether you want a classy white reception, a bold bright reception, or a themed reception, Chair Cover Depot is the place to find your perfect match, for the perfect price.

Casual and Cost Conservative

Poly Oxford Covers are the perfect casual and cost conservative white covers for your wedding reception. If you have a tight budget, you may want to look into these covers as they have the soft feel of cotton, but arenâ€™t necessarily pure cotton. However, they definitely look and feel the part.

The Cost-Effective Chic Look

Scuba Covers are draped casually over your event chairs, giving your event a comfortable yet formal feel. With the right amount of shine, this inexpensive fabric will play the perfect part at your wedding reception.

Divine Design

If you want to be different but still within budget, youâ€™ll want to check out the Ivy Pattern Ivory Damask Covers. The ivy pattern adds that extra detail to make your guests take a second glance at the chair covers at your wedding reception. The Ivory Damask Covers fit nicely over the chairs giving it an elegant look.

The Satin Shine Look

The Shiny Satin Wrap Covers will add that extra bit of elegance, especially for the wedding reception with a more ethereal feel. Draped elegantly over the chair, and wrapped decoratively in the back, the satin cover will add style to your reception.

For That Sleek Look

For tight, sleek, and shiny chair covers, youâ€™ll want to try out the Lycra Covers. One of the most versatile and durable fabrics, Lycra Covers can set the tone of your event. Whether you want a classy white and black theme or a bright and bold wedding reception, youâ€™re bound to find the colours you need when using Lycra Covers. Lycra is also easily dressed up or down, depending on your reception theme.

The Elegantly Celestial Look

An elegant chair cover which exudes wedding classiness is the Pleated Damask Cover with Bow Chair Cover. The cover fits snugly over the top of the chair and finishes as a skirt at the bottom. The finish is soft yet radiant, giving your wedding reception a sophisticated feel.
