Skilled Worker and Work Permit Canada by Francis

Article published on January 4th 2012 | Travel Tips

Skilled worker Canada point score requirement was reduced from 75 to 67 points on September 2003 which has made an increase to the number of worker who migrate to Canada. This is the most popular category for immigration to Canada if you show that you have skills. Skilled workers that settle in Canada on a permanent basis are especially valuable to the Canadian workforce. Successful applicants of the skilled worker immigration programs receive a Canadian immigration resident visa.

The selection factors may be summarized as follows:

â€¢ Education an award of up to 25 points

â€¢ Language skills award of up to 24 points

â€¢ Work experience award of 21 points

â€¢ Age award of 10 points

â€¢ Arranged employment award of up to 10 points

â€¢ Adaptability award of 10 points

In addition to scoring points, the applicant must show that they have enough money to support themselves and their dependants after arrival in Canada. They must also have medical insurance and proof that they will not be a threat to the security of Canada. As you apply for skilled worker Canada you get access to domestic job market without the need for a sponsor. You have no restriction on the type of work to do in Canada.

Canada has different type of work permit Canada that allows Canadian companies to hire foreign workers. There are no annual quotas on the issuance of the permit. To get a work permit Canada you need to have an employer who is willing to offer you employment directly. This is the easiest way to have the permit. Your kills and qualification will be assessed making sure that you will improve the economy of Canada.

The following are the common type of work permit Canada:

Labour market based work permit

Intra company transfer

NAFTA professionals

IT worker

Significant benefit to Canada

Post graduation

Spousal

Live in caregiver

There are several options to obtain a work permit and practice your profession legally in Canada. If your company operates a branch or office in Canada, you can apply through your employer who will handle the paper work for you. In this case obtaining a permit is like transferring to Canada. If your employer does not have offices in Canada, you will have to deal with the application and you must meet a number of requirements before you are granted the permit. You might not receive a permit if the job position you have in mind can be filled by a Canadian citizen or permanent resident.
