Witnessing the grand Hindu rituals: If you are an Indian, then you must obviously be aware of the rites & rituals that go into the "pujas"™. The prayers, the hymns, the serpentine queues and the devotees- all these lend an ethereal feel to the surroundings. The worshipping of Lord Venkateshwara is done in such meticulous proportions that the sight is a joy to behold forever. Under Tirupati package, you can have a complete experience of the ceremonies.

Blast from the past: Though Tirupati package is chiefly sought for the devout Tirupati darshan, the town is also a remarkable exhibition of architecture from the medieval age.
